

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

This Saturday is the big election day in Texas. While it is legally only a nominating process to determine each party's candidate of the November ballot, it is for all practical purposes an election to office because, except in rare cases, the Democratic nominees will be unopposed in the fall.

Not only is Saturday election day it is also the day that precinct conventions are held — in the afternoon in rural areas and in the evening in larger cities. While most voters take part in the elections, very few take part in the conventions. Primarily it seems, because they do not understand the operations of the convention system in Texas.

It is only by attending a precinct convention that every individual voter has the opportunity and ability to be heard and to make his views known concerning his particular political philosophy and to give expression to those political concepts in which he believes.

The precinct convention is the very essence of "grass roots" participation of political and government affairs. At the precinct conventions you and your neighbors select your delegates and voice your opinions. It is the ONLY place you can have a say in the presidential nominee of your party.

Precinct conventions are open to all voters who participate Saturday in the Party primary elections. They are the first step in a long journey to the national conventions and the nominations of presidential and vice presidential candidates.

We urge you attend your precinct convention this Saturday.

This newspaper heartily endorses the candidacy of Governor John Connally as Texas' "Favorite Son" to represent our State at the Democratic National Convention. When you go to your precinct convention we urge you to select delegates and pass a resolution favoring Governor Connally's role as leader of the Texas delegation.

With a number of contested races on the Democratic Primary ballot this Saturday we hope that every qualified voter takes the time to vote. With Gov. Connally not seeking re-election, our state government is at a cross-roads with a changing of the guards, so to speak.

With ten candidates seeking the office of governor on the Democratic ballot there would seem to be a wide choice of political philosophies to choose from. They range from conservative Preston Smith to liberal Don Yarborough.

After talking to people who know him and looking at some of his past accomplishments, we feel that the top choice in the race is Dolph Briscoe. We are not sure that he can make it into the runoff but still believe that he would be the best man for the job.

In the race for Lieutenant Governor we feel that Ben Barnes is the best man for the job based on his past record in the House.

Down in the district level we feel that Grant Jones is the best choice for State Representative, District 62, Place 1. While he does not represent Jones County at the present time he is serving Taylor County and has done a good job in the post. This year instead of sharing one representative with Taylor County we will share two. Frank Calhoun is the other one and is unopposed.

On the remainder of candidates we feel that the public has had an opportunity to see and hear the individuals involved and the decisions are mostly a matter of personal choice. Therefore we are not endorsing any of the candidates and feel that on the referendums, they too are a matter of personal choice.

We had a note from Miss Lennie Greenway asking for our help in gaining support for her efforts with the East Cemetery. With all of the rains, the cemetery is like the yards in the area and is taking a lot of work to keep in shape. This costs money and Miss Greenway is having a hard time getting the money. She sent out over 100 statements and received only \$5.00 in response.

The money for this work must come from donations. It would help if some local organization or group would get behind Miss Lennie in supporting this cause.

Capt. Jack Drummond Gets Citations

Capt. Jack Drummond, son of Mr. and Mrs. G. W. Drummond returned this week from his second tour of duty as a fighter pilot in Southeast Asia. He was stationed in Thailand and flew 189 missions against the VC supply convoys and troop concentrations. He was awarded the Distinguished Flying Cross, the Air Force Commendation Medal, and the Air Medal with eight oak leaf clusters for his efforts.

Capt. Drummond and his wife Dixie, and daughter, Debra, will be stationed at Elgin Air Force Base, Fla.

He visited in his parents home here Sunday and Monday where he was joined by Mr. and Mrs. David Drummond of Abilene, Mr. and Mrs. Cliff Drummond of Austin, and Mr. and Mrs. Don Drummond and Tonya of Hamlin.

The Distinguished Flying Cross was given for heroism while participating in aerial flight in Southeast Asia Sept. 8, 1967.

Capt. Drummond was responsible for the destruction of two hostile supply laden vehicles, heavily damaging a third, and the silencing of one active automatic weapons position, while conducting a night armed reconnaissance mission in a single-engine, blacked-out aircraft. Operating in the limited visibility of flare light, and sometimes without flares at all, he determinedly and aggressively made twelve passes under the flares, while being constantly subjected to intense, accurate, defensive fire, to destroy these vehicles.

Mr. and Mrs. M. P. Davis of Perryton are visiting with Mr. and Mrs. Buford Bigham this week. They will go to Austin this week for the state track finals when their son, Milton, will compete in discus.

Primary Balloting Set for Saturday

Texas voters will be voting in the First Primary Saturday with a number of contested offices on the Democratic ballot. Jones County Democrats will be operating polls in all of the County's Precincts while only a token vote is expected in the Republican Primary in the county.

With several precinct, county and district races shaping up, as well as a strong governor's race, voting is expected to be heavy in this first primary. On top of these races, the voters will be asked in referendums how they stand on liquor-by-the-drink, pari-mutuel betting and milk price fixing.

Polls open at 8 a.m. and close at 7 p.m. A. B. Carlton is presiding judge at the East box in City Hall. Miss Lennie Greenway is judge of the West box to be located at the front entrance of the high school building.

The judges warn all voters that they MUST have their voter registration in order to vote.

The democratic convention will be held at 2 p.m. in the high school auditorium. Bob Craig was named precinct chairman Wednesday by the election judges.

Close at home, Precinct One voters, which includes Hamlin and the north-west part of Jones County, will decide a four-man race for County Commissioner. Seeking this office are E. B. (Bert) Fomby, Jehnie Agnew, Burnia Reid and Cecil Brown.

Contested races at the county level include two seeking office of Sheriff and two seeking the office of County Tax Assessor-Collector. Run-

Some Changes In Voting With New Election Code

Numerous changes mark the ballot, being used in 1968 elections, including this year's primaries, and some are causing considerable confusion. This confusion was brought to light in the recent school and city elections.

Major change in form of the ballots is use of ballot squares to be checked opposite the name of choices, rather than the old method of scratching. This also in-

cludes unopposed candidates. Your choice must be indicated by an "X" in all races, leaving them unmarked will simply mean that the vote will not count for the unopposed candidate.

The new regulations also provide that write-in votes are invalid in the party primaries except for party officers — county chairman and precinct chairman. Also, none can be counted in a run-off primary.

ning for Sheriff are Dave Reves and J. W. Simmons and in the race for Tax Assessor are Mrs. M. A. (Virginia) Parsons and Louis Johnson.

At the District level the following races will be contested: Richard Price and Ed Paynter seeking the District Attorney post for the 42nd and 104th District Courts; J. Neil Daniel and Henry Doscher for District Judge, 104th Judicial District.

Grant Jones and Ron Weddington will be seeking the office of State Representative, District 62, Place 1.

Cecil Brown Seeks Support In Comm. Race

Cecil Brown issued the following statement this week in his bid for Commissioner, Precinct One, Jones County:

During the past several weeks I have made every effort to contact each of you to discuss my candidacy for Commissioner of Jones County. To those of you I may have missed, please let this serve as my request for your favorable consideration.

If elected your Commissioner, I pledge to work hard to improve our road system, especially our Farm to Market roads. I believe in the past six or eight years we have gotten four miles of Farm to Market roads in this precinct.

I also pledge to try to do a better job in our Commissioners' Court. I think there is enough room in our Court House to provide a lounge for women that have to serve on our jury panels.

Your suggestions and criticisms for the betterment of Jones County will not go unheard.

Your vote will be appreciated! Your trust will not be violated.

JC. Jaycee-ette Installation Set Saturday Evening

The Hamlin Jaycees and Jaycee-ettes Installation Banquet will be held Saturday at 7:30 p.m. in the primary cafeteria.

The meal will be served buffet style. Guy Weaver will be master of ceremonies.

Special Jaycee awards will be given by Ewell Mackey, retiring president.

Fred Smith, state director from Abilene, will install the Jaycee officers. Betty Wortham, past state Jaycee-ette president from Sweetwater, will install the Jaycee-ette officers.

Mrs. Johnny Jeffrey, retiring Jaycee-ette president, will present their awards.

The invocation will be given by Delton Jackson. Scotty Knox will lead the pledge to the flag and Young Bill Maddox will lead the Creed. The incoming president's message will be given by Skipper Smith.

Of top interest on the state wide level is the governor's race with ten candidates seeking the Democratic nomination. They are listed in the following order on the ballot: Waggoner Carr, Johnnie Mae Hackworth, John Hill, Preston Smith, Dolph Briscoe, Edward L. Whittenburg, Pat O' Daniel, Don Yarborough, Eugene Locke and Alfonso "Al" Veloz.

Gene Smith, Don Gladden and Ben Barnes are seeking the office of Lieutenant Governor and Robert S. Calvert and Dallas Blankenship are running for Comptroller of Public Accounts.

For Supreme Court of Texas, Place 1, pits Datt Davis against Sears McGee and for Place 2, Tom Peavely against James G. Denton.

In the referendum propositions, which are only an expression of public opinion and have no force or effect as law, the voters are asked to state their preference on the following:

"For or against enactment by the Texas Legislature of a law permitting the legal sale of liquor by the drink in wet areas only after approval by local option elections and which sale would be subject to strict regulation, effective controls and taxation thereof."

"For or against enactment by the Texas Legislature of a law creating horse racing with pari-mutuel wagering on a local option basis; creating a Texas Horse Racing Board with the power to regulate pari-mutuel wagering on horse races; granting two percent of the total pari-mutuel pool each day to each county where there is a licensed race track; and apportioning among all other counties one-half of the total state net revenue from that source."

"For or against enactment by the Texas Legislature of a law permitting the Texas Dairy Commission with the power to regulate and fix the retail and wholesale price of milk."

Voters will mark their ballots by placing an "X" in the square in front of the candidate of their choice.

↓ CONTEST — Dianna Crowley, daughter of Mr. and Mrs. Bobby Crowley, will represent the Hamlin Lions Club in the District 2 E-1 Beauty Contest Saturday evening in Mineral Wells.

Approximately 100 students from the Big Country attended the two-day conference. The students were divided into small eight-person groups, which then discussed many theoretical cases. Dr. Paul Rothaus and Mr. Sonny Davis were the main instructors of the Institute at Central High School. Many of the groups were given such names as: the Hi-Lo's, The Strength of America, Unified Flowers, Peace Seekers, Too Bad, the Minority, Esoterics, Sweet Streeters, The Group, Saphrasne, the Developers, and the Psychosinbolics. Mrs. J. C. Turner acted as sponsor of the Hamlin group.

Congratulations to the Junior Class for having presented a very fine junior-senior banquet. Oriental decorations and programs reflected the "Sayonara" theme of the banquet. Rev. Marshall Stewart was the feature speaker. Crowned as outstanding senior boy and girl were Milton Davis and Margaret Cooper.

Installation of new officers and a Farewell Tea for seniors was held Monday for the Hamlin FHA Chapter. Beth Craig was installed as the new president. Also installed were Jo Lynn Johnson, Pat Perrin, Jana Ferguson, Patti Cowan, Marilyn Fudge, Marcia Steele, Patti Murphree, Sandra Payne, and Cindy Bryant. Those being honored at the tea were Margaret Cooper, Janet Carson, Sharon Hawkins, Sally Carlton, Janice Hardaway, Linda Bailey, and Jayne Turner.

Elected first vice-president of the Jones County Teachers Association was Milburn Wink. The meeting was held Monday night at the final meeting of the year in Anson. His chief duties will be to secure programs for all meetings of the group.

With the rapid approach of the senior trip, the seniors are beginning to pay off the last of their debts and gather their clothes together. The seniors will leave May 7 for Colorado stopping at Raton, N. Mex. on the way. Plans have been made for them to visit the Colorado State Prison at Canon City, Royal Gorge, Seven Falls, the

Dr. E. D. Perrin Re-elected to National Group

Dr. Eugene D. Perrin, has been re-elected to active membership in the American Academy of General Practice, the national association of family doctors.

Re-election signifies that the physician has successfully completed 150 hours of accredited postgraduate medical study in the last three years. The Academy, the country's second largest national medical association, is the only medical group that requires members to keep up with medical progress through continuing education.

The Academy, founded in 1947 and headquartered in Kansas City, Mo., currently is spearheading a movement to create a new specialty of family medicine that will enhance the ability of the family physician to provide comprehensive, continuing care to the public. The foundation of this new specialty will be the Academy's postgraduate education program.

Mrs. Bob Craig attended homecoming at Weatherford College, Weatherford, Saturday. She was accompanied by her parents, Mr. and Mrs. T. P. Fincher of Albany. They were guests of Mrs. B. G. Rothrock and David.

ELECT
Ben Barnes
Lt. Governor

To Board Meeting

John Scarborough of the Jones County Farmers Union will attend the Fall board meeting of Texas Farmers Union at San Antonio May 4. Every organized County in Texas will be represented.

AUSTIN Hard - driving candidates for governor are coming down the stretch after a long campaign which has failed to fire up the voters.
Strong Democratic runners include Lt. Gov. Preston Smith, John Hill, Waggoner Carr, Eugene Locke, Don Yarbrough, Dolph Briscoe and Edward L. Whittenburg. Pat O'Daniel has campaigned extensively in recent weeks. Other candidates, Johnnie Mae Hackworth and Alfonso Veloz, have done little campaigning.
In the Republican primary, a warm gubernatorial contest features Paul Eggers, John R. Trice and Wallace Sisk.
Another hard-fought contest or the Democratic ballot pits House Speaker Ben Barnes against Don Gladden and Gene Smith for lieutenant governor.
There are two State Supreme Court races in the Democratic primary: Place 1 - Matt Davis vs. Sears McGee; Place 2 - Tom Reavely vs. James G. Denton.
There is just one other statewide contest or either ballot: Comptroller Robert S. Calvert is opposed by Dallas Blankenship.
Democratic, Republican and American parties have scheduled referendums on legalizing sale of mixed alcoholic beverages on local option, pari-mutuel wagering on horse racing, also on local option, and establishment of a state milk-price-fixing commission.
Democrats expect sharp fighting in their precinct conventions Saturday which decide makeup of the national presidential nominating convention delegation and shape of the party organization. Gov. John Connally is campaigning for favorite son presidential designation leadership of the national convention delegation and binding of delegates under the unit rule. Liberal opposition opposes both Connally as favorite son and the unit rule. Republican conventions Saturday will see strong efforts to name Sen. John Tower as their favorite son candidate.
Voters have been warned they cannot participate in affairs of the new American Party supporting George Wallace for president if they vote in either GOP or Demo primaries Saturday or go to major party conventions. American Party needs 14,000 members to get Wallace on the November ballot.
ATTORNEY GENERAL RULES - Atty. Gen. Crawford C. Martin has held that the "open meetings" law of 1967 is valid and constitutional. Opinion cleared the way for first court action (at Brownsville) under the new act. Cameron County Criminal Dist. Atty. F. T. Graham requested the opinion after the Brownsville Herald complained its reporter was barred for an hour from a meeting of the Brownsville Public Utilities Board last January 25.
In other new opinions, Martin has concluded that:
Department of Public Safety can pay a commercial transportation company to move the household belongings of a highway patrolman transferred to a new duty station when state-owned equipment is not available.
Beer can be sold from a 2 5-8 gallon container at a licensed bar.
State must pay the claim for \$6,700 for the administrator of an estate in absence of any evidence that the documents submitted with the claim are false.
Harris County Hospital District may spend public money to pay employees' travel expenses in recruiting activities but can't pay those of applicants or moving expenses.
COURTS SPEAK - In an important new opinion, Court of Criminal Appeals has held that trial judges must interrupt criminal trials and get a jury verdict or a question of sanity if the issue is raised by evidence.
Following that decision, Court reversed two convictions, ordering new trials for a young Petersburg woman accused of stabbing a baby to death and for an Andrews County man sentenced to life imprisonment as an habitual criminal. Court also ordered a new trial in a Lubbock

Briscoe Says Better Economy In Rural Areas Would Help Cities Too

Efforts to increase economic opportunities in rural areas was laid down as one of the cornerstones of a program of progress for Texas by gubernatorial candidate Dolph Briscoe in Uvalde today.

The South Texas cattleman and businessman said that agriculture is one of the state's most important industries and that numerous communities throughout the state will die if agriculture becomes a forgotten child.

A former Texas chairman of National Farm City Week, Briscoe said urban and rural residents should work together to achieve greater economic returns for all. He said he, as governor, would encourage a working relationship where both rural and urban citizens could participate in a common program of improved economic opportunities. "This way, all Texans will become partners in progress," he stated.

"In many ways the problems of people in the country are quite similar to the problems of those in the city and in almost every instance solutions which help one will help the other," he said.

He said every young Texan should have educational opportunities which would allow him to reach his full potential and that the easiest way to

Dolph

BRISCOE

for GOVERNOR

Although Dolph Briscoe, candidate for Texas governor, is best known as a man of the "wide open spaces" — a ranchman with rural interests close to his heart — he is also perfectly at home in the board rooms of major business enterprises.

Briscoe, a World War II veteran and graduate of Texas University, is chairman of the board of First State Bank of Uvalde, a member of the board of Alamo National Bank of San Antonio and chairman of the board of the Security State Bank of Pearsall.

Served eight years in House of Representatives (1948-1956); re-elected three times without opposition. Author of Farm-to-Market Road Act of 1949, which program brought about more than 36,000 miles of paved farm roads to the state. Sponsored the Rural Telephone Enabling Bill in 1950 bringing about the installation of many thousands of rural telephones; major supporter of the teacher pay raise bill; authored first resolution calling for complete investigation of the Veterans Land Board, which uncovered a major scandal involving millions in state funds.
